Intergalactic fantastic oak aged stout
 malt beverage brewed with cranberries and jasmine
PRODUCT OF SCOTLAND

This is a beer inspired by a 1980's space invaders arcade game played in Japan's capital.

The irony of existentialism, the parody of being and the inherent contradictions of post-modernism, all so delectably conveyed by the blocky, pixelated arcade action have all been painstakingly recreated in this bottle's contents.

This imperial stout is brewed with copious amounts of specialty malts, jasmine and cranberries. After fermentation we then dry-hop this killer stout with a bucketload of our favourite hops before carefully ageing the beer on French toasted oak chips.

Our approach has the same contempt of the mass beer market that the old-school punks had for pop-culture. BrewDog is a modern day rebellion against soulless corporate bureaucracy and the bland, apathetic beer they industrially produce.

Brewed and Bottled by BrewDog Ltd., Fraserburgh, Scotland.
